

**Students**

**Student Handbooks**

The administration shall publish, and review as necessary, a student handbook containing information about the Ledyard Public School District. The handbook will contain Ledyard Board of Education policies and administrative regulations with which Ledyard students are expected to conform. The administration will work with the Ledyard Board of Education and legal counsel to ensure that all policies and regulations conform to federal and state law.

The student handbook shall be distributed to students annually during the first week of school, and to new students upon enrollment.
