Board Work Sessions

The Ledyard Board of Education may schedule work sessions and retreats from time to time in order to provide its members and the executive staff with opportunities for planning, brainstorming and thoughtful discussion. Special meetings scheduled to provide such opportunities shall be announced in the same manner as regular Board meetings. The announcement shall include the topics to be discussed.

All Board work sessions and retreats are open to the public, except as otherwise may be provided by law, and the minutes of such meetings are public information subject to the *Freedom of Information Act*.
