

Community Relations

Public Performances by Students

The Ledyard Board of Education recognizes the educational value of student participation in civic and community affairs. Teachers are encouraged to prepare students for public performances which contribute to student education when they don't interfere unduly with other educational activities or programs.

School groups may, as authorized by Superintendent's regulations, participate in local public events.

(cf. 1141 - Student Participation in Non-Curricular Activities)

Policy adopted: November 2, 1994
