

**Community Relations**

**Contests for Students**

The evaluation, scheduling, and consent to participate in contests shall first be approved by appropriate staff.

1. No contest which deals with curriculum shall be conducted during the school year which has not had prior approval by the Assistant Superintendent for Curriculum and Instruction, the subject supervisor, and the building principals.
2. No contest of a non-curriculum nature shall be conducted during the school year which has not had prior approval by the Superintendent and the building principals.

Regulation approved: November 2, 1994
