

IN-SCHOOL PRESENTATIONS BY OUTSIDE GROUPS

The Ledyard Board of Education supports the use of individuals and groups who are not employees of the District to enrich the educational program. Presentations should be selected based on their direct applicability to the curriculum.

All presentations by outside groups or individuals require the prior approval of the building Principal who shall ensure that the presentation is appropriate for the student age group, supports the curriculum, and has benefit worth the lost instructional time. The building Principal shall inform the Assistant Superintendent of all approved presentations by outside groups and individuals prior to the presentation occurring.

A staff member shall be present the entire time during the presentation.
