**Termination of Employment**

The Board of Education is greatly concerned about former employees of school districts who have resigned their positions pursuant to settlement agreements after having been notified of disciplinary charges and/or notified of potential disciplinary action. The Board will not enter into any agreements contrary to public policy, Board policy, or law.

Upon the receipt of a request for a reference and/or recommendation concerning a teacher who resigned pursuant to a settlement agreement, the Superintendent and/or his/her designee(s) will provide such information as he/she deems appropriate.

The Superintendent and/or his/her designee(s) will report any serious misconduct to the appropriate authorities, including, but not limited to, the State Department of Education and local authorities, as deemed appropriate.
