

Health Enhancement Program (HEP)

Employees and enrolled dependents 18 years of age or older need to complete age and gender specific requirements.

Those not completing the requirements will:

pay an **additional** \$60 per paycheck for medical premiums starting in August, 2020.

AND

have a \$350 individual/\$1400 family **annual in-network deductible** beginning July 1, 2020.

If you have not completed your requirements – there is still time. Here are a few things you can do:

Log on to CTHEP.com to see your requirements.

Have your health care provider complete and submit the Physician Notification Form (PNF).

Call 877-687-1448 or email HEPQuestions@Connect2YourHealth.com if you have questions or need assistance.
