Nondiscrimination

In compliance with regulations of Title VII of the Civil Rights Act 1964, Title IX of the Education Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973, the Civil Rights Act of 1987 and the American With Disabilities Act, the Ledyard Board of Education adopts the following Equal Employment Opportunity and Equal Education Opportunity Policies.

Equal Employment Opportunity

Both federal and state law prohibits discriminatory practices in hiring and employment. The Board of Education prohibits discriminatory acts in all district matters dealing with employees and applicants for positions and requires equal employment opportunities for all employees and applicants. As an equal opportunity employer, the Ledyard Board of Education does not discriminate on the basis of race, color, religious creed, age, veterans' status, genetic information, marital status, national origin, ancestry, sex, sexual orientation, gender identity or expression, pregnancy, physical or mental disability, status as a Veteran, or any classification protected by law.

Equal Education Opportunity

Pursuant to the IDEA, Americans With Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973, no otherwise qualified individual with handicaps shall, solely by reason of such handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program of the Ledyard Board of Education.

The Civil Rights Coordinator for the Ledyard Board of Education has the responsibility to monitor the compliance of this policy. Further compliance with policy is a responsibility of all district administrators.

Sexual harassment has been established as a form of sexual discrimination and is defined as follows:

"Any unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature, when (1) submission to such conduct is made either explicitly or implicitly a term or condition of employment or participation in an educational function (2) submission or rejection of such conduct by an individual is used as the basis for employment or educational decisions affecting the individual or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work or educational performance or creating an intimidating, hostile or offensive working environment."

If an employee believes that he or she has been discriminated against in regard to either of the preceding policies, a grievance may be filed charging that the employee's personal rights have been denied or violated.

Employees wishing to discuss these regulations or rights under this policy, the need for a reasonable accommodation, or wish to discuss or file a grievance, should contact the District's Civil Rights Coordinators, or an administrator.

Discrimination Complaint Procedure

The purpose of this policy and associated regulation is to secure, at the lowest possible administrative level, equitable solutions to problems which may arise concerning claims of discrimination. Evidence of reprisal against a complainant or witness shall be viewed as a violation of this policy.

Any person who wishes to inquire or to register a complaint concerning alleged discrimination in the Ledyard Public Schools shall have an opportunity to bring such concerns to the attention of the Civil Rights Officer or Superintendent, who has the authority to resolve such complaints.
